## OBJECTIVE

---

I am an innovative full-stack developer driven by a passion for crafting robust solutions. With a proven track record of effective time management and strong communication skills, I thrive in dynamic environments. My insatiable curiosity fuels my commitment to continual personal and professional growth, ensuring I stay at the forefront of technology trends and deliver excellence in every project.

## EDUCATION

---

<b>Bachelor in Computer Science &amp; Engineering</b>	2024
Vidyavardhaka College of Engineering, Mysore	CGPA 7.18

<b>Pre-University Education</b>	2020
Vidyavardhaka PU College, Mysore	

<b>Secondary School Examination</b>	2018
Amrita Vidyalayam, Mysore	

## INTERNSHIP

---

<b>Schneider Electric</b>	<i>SDE INTERN</i>
I spearheaded the development of a streamlined ticketing system, optimizing internal communication and issue resolution processes. Leveraging advanced technologies, I designed and implemented a user-friendly interface for efficient workflow management.	

## SKILLS

---

<b>Programming Languages</b>	C, C++, Java, Python
<b>MarkUp Languages</b>	HTML, CSS
<b>Scripting Languages</b>	JavaScript
<b>Database</b>	MySQL, OracleSQL
<b>Development Tools</b>	Android Studio, Netlify, GitHub
<b>Frameworks</b>	Bootstrap, Angular

## CERTIFICATIONS

---

- **Architecting with Google Compute Engine and Google Cloud Data Analyst Learning Path**
  - Elastic Google Cloud Infrastructure: Scaling and Automation
  - Architecting with Google Kubernetes Engine: Foundations
  - Advanced Insights with BigQuery

## PROJECTS

---

### Canvas-Air

Implemented computer vision project with OpenCV, enabling air drawing using tracked colored marker. Leveraged Python's libraries for color detection, morphological operations, contour detection, and coordinate tracking. Proficient in Python, OpenCV, and computer vision. Required Python 3, NumPy, and OpenCV.

### Personal Portfolio Website

Crafted and hosted a personal portfolio website showcasing professional achievements, skills, and projects. Developed with a modern and responsive design, the website serves as an interactive showcase of expertise and serves as a testament to dedication to personal branding and online presence.
